

## **Options @ BACA** Frequently Asked Questions

**Q:** What is the purpose of Options @ BACA?

**A:** Options Charter Schools strives to serve all students needing alternative education with innovative platforms that meet their specific needs. By being located within the BACA clinic, students will have the opportunity to receive a blended approach to education and clinical services.

**Q:** How will Options @ BACA be structured?

**A:** Students attending Options @ BACA will participate in our educational program for 3 hours each day, either during the AM or PM session. Students will have the opportunity to work directly with the BACA clinical team to receive 3-5 hours of therapeutic services during the opposite of their educational time. Options will also work closely with the clinical team and the student's support team (parents, guardians, and other wrap around service providers) to help set up any additional push-in services needed during educational time.

**Q:** Will students be eligible to receive a diploma?

**A:** Yes, Options @ BACA will offer traditional diploma and certificate options based on individual student needs.

**Q:** Will students have Individual Education Plans (IEPs)?

**A:** Yes, for all students that qualify, a move-in case conference committee meeting will be scheduled to develop the student's initial IEP. Students will have individualized goals created by the case conference committee which will be reviewed on an annual basis.

**Q:** What is the classroom ratio?

**A:** Students will be in ratios of 3:1 during education time. There will be opportunities for student collaboration during group work as well as individual learning times.
