ABOUT OPTIONS @ IBAA

- Options @ IBAA students will receive an accredited education from an established academic program & have the opportunity to earn an IDOE high school diploma
- Students will benefit from a 3:1 student-to-teacher ratio and individualized approach to education, in a supportive environment
- Students will receive their education for half of the day (Morning or Afternoon) and their ABA therapy in the other half of the day
- Since 2002, Options Schools has provided a free, public alternative to traditional education
- Options Schools serves grade 6-12 students in 90+ school corporations throughout the state of Indiana through a variety of programs
- Students will receive 3-4 hours of supports in social skills, independent living, and self-management from IBAA's team
- When participating in ABA therapy, students will receive 1:1 supports from a Registered Behavior Technician (RBT) and program oversight from a Board Certified Behavior Analyst (BCBA)
- IBAA was founded in Kokomo in 2015 as a program focused on quality services and outcomes
- The program was one of the first accredited ABA centers in the state of Indiana and continues to be the only accredited program in Kokomo
- IBAA is in network with all major insurance carriers and has a team onsite to support families and answer questions related to insurance coverage
